IS THE BRIGHTEST SPOT IN THE BRIGHT CITY OF MISHAWAKA, IND.

THE ideal stop-over for automobilists en-tour from or for Chicago. Interesting because of its early Indian History. Mishawaka has more than kept pace with the times. To-day it is a city beautiful, the garden spot of the picturesque shore scenery of the majestic St. Joseph river. To auto tourists Mishawaka offers excellent roads and at night the most brilliant lighting system to be found anywhere.

In the very heart of a bower of beautiful residences and beehive of industrial activity is the Mishawaka hotel, a hostelry on a par with the best and superior to most of the hotels in the United States. Adjoining is the
